ABOUT

Fab Campbell is an innovative force in the electronic music scene, renowned for his high-energy sets that blend percussive House and Afro with rhythm-driven beats and captivating vocal elements. His ability to create a vibrant atmosphere keeps the crowd immersed and stepping throughout the night.

With over 12 years of experience, he's performed at some of the biggest events, including Glastonbury Festival, Lovebox Festival, Parklife, Ministry of Sound, Pacha (London), WeAreFstvl, Metropolis Festival and more.

His performances stand out for his talent in crafting dynamic, infectious sets that keep the energy flowing and the crowd engaged at peak times making every event unforgettable.

Fab Campbell's success is partly due to his producing talent with over 15 million listeners and 35 million streams across major platforms, and supported by the likes of BBC Radio 1, BBC Radio 1Xtra, BBC Radio 2, and Capital XTRA, Fab Campbell's band "The Fedz" have prepared Fab Campbell to take on his solo journey and put his foot on the gas.
